SAHARAWI REPUBLIC PRESIDENT BRAHIM GHALI ARRIVES IN NEW YORK FOR SERIES OF HIGH-LEVEL UN MEETINGS

FOR IMMEDIATE RELEASE

NEW YORK, 16 March 2017 – Today, President of the Saharawi Arab Democratic Republic / Secretary-General of the Frente POLISARIO Brahim Ghali arrives in New York for a series of high-level meetings including with UN Secretary-General Antonio Guterres, the President of the UN Security Council and other key Secretariat officials and members of the Security Council.

President Ghali's first visit to the United Nations comes as the political process on Western Sahara is at a dangerous impasse due to Moroccan continued intransigence and provocations on the ground in Western Sahara, as such this will be at the center of President Ghali's discussions with the UN. After years of brazen Moroccan obstruction, the Frente POLISARIO urges the United Nations to turn the page by supporting the swift advancement of the political process.
